2) Orders

2.1 The Order constitutes an offer by the School to purchase the Goods and/or Services subject to these Conditions, which shall apply to the Contract to the exclusion of all other terms and conditions (whether previously issued by the School or appearing on any documentation issued by or on behalf of the Supplier). These Conditions can only be varied by written agreement between the School and the Supplier, each acting by an authorised representative.

2.2 Without prejudice to clause 2.1, the Supplier acknowledges that the School will be entering into the Contract on the basis of the Tender (if any) submitted to the School and warrants that any Tender is accurate and complete in all material aspects and is not misleading.

2.3 An Order is accepted when the Supplier either expressly gives notice of acceptance or by way of implication. If the Supplier intends to reject the Order it must inform the School of such rejection within two (2) working days (as defined in the Companies Act 2006) of receipt of the Order.

2.4 If the Goods and/or Services are to be provided in instalments, the Contract shall be treated as single and not severable; provided that failure to deliver any one instalment in accordance with the Contract shall entitle the School to exercise the rights under clause 9.

3) Price and Payment

3.1 The Price for the Goods and/or Services shall (unless stated otherwise in the Order) be:

(a) exclusive of any applicable Value Added Tax (VAT) (which shall be payable by the School in addition, subject to receipt of a valid VAT invoice); and
(b) inclusive of all charges for packaging, freight, carriage, insurance, delivery of the Goods and/or any Deliverables at the Delivery Address and inclusive of all charges for insurance and all expenses incurred by the Supplier in carrying out the Services and any duties, tariffs, taxes or levies (other than VAT).

3.2 The Price may not be increased without the School's express prior written consent given by the relevant and authorised budget holder.

3.3 Provided the Goods and/or Services have been supplied in accordance with the provisions of the Contract, the School shall pay the Price within thirty (30) days of the date of receipt of a valid invoice addressed as specified in the Order. Invoices shall be valid only if they quote the Order number\(^1\), date of the Order, department and individual requesting the Order. Subject to any agreement to the contrary set out in the Order (or agreed in advance in writing by each of the parties), a separate invoice must be raised in respect of each Order.

3.4 The School may set off against the Price any sums owed to it by the Supplier.

3.5 The School is entitled to all discounts or special terms negotiated by or granted to the Purchasing Consortium, and other public bodies having power to negotiate on behalf of universities. The School, which is a charity as well as an educational establishment, will also be entitled to all discounts provided by the Supplier to charities or educational establishments. The Supplier shall ensure that the Price invoiced to the School reflects each of the above forms of discount whenever they apply.

3.6 If the services performed by the Supplier exceed those Services set out in or required by the Order or the goods provided by the Supplier exceed the quantity of those Goods set out in the Order, the School shall not be bound to pay for the excess goods and/or services.

3.7 If a party fails to make any payment due to the other party under the Contract by the due date for payment then the defaulting party shall pay interest on the overdue amount at the rate of 2% per annum above HSBC's base rate from time to time. Such interest shall accrue on a daily basis from the due date until the date of the actual payment of the overdue amount whether before or after judgment. The defaulting party shall pay the interest together with the overdue amount. This clause shall not apply to payments that the defaulting party disputes in good faith.

4) Quality of Goods

4.1 The Supplier shall ensure that, in relation to the Goods supplied to the School, the:

(a) quantity, quality and description of the Goods shall be as specified in the Order and comply with any pattern, sample or specification given by the School, or, where no such pattern, sample or specifications are given, be of the best in their respective kind;

(b) Goods are of satisfactory quality (within the meaning of the Sale of Goods Act 1979), free from defects and fit for the purpose(s) held out by the Supplier or made known to the Supplier by the School;

(c) Goods comply with all laws, statutes, orders, regulations and codes of practice that apply to such Goods and, in particular, to such matters as concern the safety and health and welfare of all persons into whose hands the Goods may come and/or be used;

(d) Goods are properly packed and secured in such manner as to ensure that they are delivered in good condition; and

(e) Goods are supplied in accordance with the School’s policies, including its environmental policy, as in place from time to time.

4.2 The Supplier warrants to the School that, in addition to the terms implied into the Contract by statute from time to time and without prejudice to clause 4.1 above, the Goods (and/or their importation, use or resale) will not infringe the rights of any third party, including the IPR of any other person.

---

\(^1\) Which, for the avoidance of any doubt, is the ‘purchase order’ (or PO) number stated on the Order.
4.3 To the extent reasonably required, the Supplier hereby grants to the School, or (where the Supplier is not the holder of the applicable rights) undertakes to procure the grant to the School of, an irrevocable, worldwide, royalty-free licence of all IPR required in connection with, and for the use of, the Goods.

4.4 The Supplier shall comply with all applicable regulations or other legal requirements concerning the manufacture, packaging and delivery of the Goods and shall obtain and maintain in force all licences, permissions, authorisations and permits needed to supply the Goods in accordance with the terms of the Contract.

4.5 The Supplier shall permit the School on reasonable notice and within ordinary business hours to inspect and test the Goods during manufacture, processing or storage at the premises of the Supplier or any third party prior to despatch, and the Supplier shall provide the School with all facilities required for such inspection and testing.

4.6 If as a result of inspection or testing the School is not satisfied that the Goods will comply in all respects with the Contract and the School so informs the Supplier within thirty (30) days of inspection or testing, the Supplier shall take such steps as are necessary to ensure compliance and if such steps are not taken to the School's satisfaction, the School may withdraw its Order without any liability to the Supplier.

4.7 The School shall be entitled, on reasonable notice, to carry out (either itself or through its professional advisers) an audit of the books and records of the Supplier to the extent that they relate to the supply (including manufacture) of the Goods.

5) Delivery and acceptance of Goods

5.1 The Supplier shall ensure that the Goods are securely packaged and clearly addressed to the person who requested the Order, and otherwise comply with any instructions given to the Supplier in relation to such Order.

5.2 The Supplier shall ensure that each delivery of Goods is accompanied by a delivery note stating the Order number, quantity and exact description of each article of Goods supplied and the name and department of the individual who requested the Order.

5.3 The Supplier must ensure a signature acknowledging receipt of the Goods by an authorised member of the School's staff is obtained on delivery.

5.4 The Goods shall be delivered to the Delivery Address during the time slot specified on the Order or, where no time slot is specified, during the School's ordinary business hours (9.00 a.m.–5.00 p.m.) on the date stated in the Order or, where the date of delivery is to be fixed after the placing of the Order, on the date agreed by the School and the Supplier in writing. Time is of the essence for delivery of the Goods under the Contract meaning that late delivery entitles the School to reject the Goods, terminate the Contract, and claim damages. "Delivery" shall take place at the Delivery Address when all of the Goods have been unloaded from the vehicle(s) of the Supplier or any carrier appointed by the Supplier and a signature acknowledging receipt of the Goods by an authorised member of the University's staff is obtained.

5.5 The School shall be entitled to reject any of the Goods delivered which are not in accordance with the Contract. Notwithstanding the provisions of clauses 5.3 or 5.4, the School shall not be deemed to have accepted any of the Goods until it has had a reasonable time to inspect them following Delivery or, if later, within a reasonable time after any latent defect in the Goods has become apparent.

5.6 Notwithstanding clause 3.6, if the Goods delivered to the School are either in excess of or below the quantities set out in the Order, the School may in its sole discretion elect to reject the Goods in their entirety or, as applicable, the excess quantity and, accordingly, the School shall not be bound to pay for the Goods (if rejected in their entirety) or any excess Goods which shall be and shall remain at the Supplier's risk and shall be returnable at the Supplier's expense.

5.7 The Supplier shall be responsible for collecting any rejected Goods or any Goods delivered which are in excess of the quantity set out in the Order at the Supplier's risk and expense, and the
Supplier shall reimburse any costs incurred by the School in respect of storage or otherwise. If the Supplier delivers less than the quantity of Goods ordered and the School accepts Delivery, the Supplier shall make a pro rata adjustment to the invoice for the Goods and the Price shall be construed accordingly.

5.8 The School shall not be obliged to safeguard or return to the Supplier any packaging or packing materials for the Goods, whether or not any of the Goods are accepted by the School.

5.9 The Supplier shall not deliver the Goods by instalments except with the prior written consent of the School.

5.10 If the School cannot take Delivery for any reason, the Supplier shall store the Goods free of charge and rearrange Delivery at no additional cost to the School.

6) Risk and Title in Goods

6.1 Risk of damage to or loss of the Goods shall pass to the School upon Delivery in accordance with the Contract. Pending such Delivery the Supplier shall maintain sufficient insurance cover against risk of loss or damage to the Goods.

6.2 Title to and property in the Goods shall pass to the School upon Delivery, unless payment (whether in whole or in part) is made prior to Delivery in which case, without prejudice to the terms of clause 6.1, title and property shall pass to the School once payment (or the first instalment of it) has been made.

7) Quality of Services

7.1 The School shall at its own expense provide the Supplier with any School Materials reasonably requested by the Supplier to enable the Supplier to provide the Services in accordance with the Contract.

7.2 The Supplier shall perform the Services in accordance with the particulars set out in the Order and the requirements of these Conditions. Time is of the essence in relation to any performance or delivery dates for the Services (including for the provision of any Deliverables) as may specified in the Order or that may otherwise be agreed by the parties.

7.3 The Supplier warrants that it is entitled to enter into the Contract and that (without prejudice to the statutory terms implied in the favour of the School by the Supply of Goods and Services Act 1982 and any other statute) it shall ensure that the Services are performed at all times:

(a) with all reasonable skill and care and in accordance with the generally recognised commercial practices and standards prevailing in the industry for similar services from time to time and in such way that the applicable Service Levels (if any) are met or exceeded;

(b) by suitably qualified and experienced personnel;

(c) in full cooperation with the School (or any third party on the School's behalf, or that the School otherwise notifies), truthfully, accurately, loyally and in good faith towards the School;

(d) in accordance with all applicable laws, rules and regulations (including, where relevant, any World Trade Organisation agreements and European Community directives governing tendering and contractual procedures, and any derivative and implementing UK laws) and that any necessary licences and consents are in place before the performance of the Services commences;

(e) without doing any act or thing, or by omitting to do something, which does, or might reasonably be expected to, damage the reputation of the School;

(f) in accordance with any health and safety or other codes of conduct issued by the School and any other reasonable directions or instructions of the School; and

(g) in accordance with the School's policies, including its environmental policy, as in place from time to time.
7.4 The Supplier shall ensure that it and (if applicable) its personnel shall have sufficient resources and time to perform the Services promptly and in accordance with the Contract.

7.5 The Supplier shall notify the School in writing of any actual, potential or possible conflict of interests on its part in contracting with the School for the provision of the Services, as soon as it becomes aware of the same, or suspects that the same may have arisen.

7.6 The Supplier shall have sole responsibility for the wages, taxes, national insurance contributions, etc payable to the personnel howsoever engaged in the provision of the Services (whether employees or third party contractors) and hereby indemnifies the School against any liabilities relating to their employment or engagement (including any liabilities under TUPE).

7.7 Where specified in the Order and/or otherwise reasonably required by the School, the Supplier shall provide regular reports to the School summarising the extent to which the Supplier has met the Service Levels and any other details so required by the School.

7.8 The Supplier shall ensure that the Key Personnel (if any) named in the Order or, if no Key Personnel are named, the same team of personnel perform the Services throughout the duration of the Contract unless agreed otherwise in advance in writing by the School.

7.9 The Supplier shall ensure that all personnel attending the School shall, on arrival, present themselves and sign in at the Security Reception in the Plowden Building or comply with such other security arrangements as the School may specify from time to time. All personnel must receive authorisation from an authorised member of the School’s staff before entering the School’s premises or commencing any work on the School’s premises.

7.10 The Supplier shall procure that (on each day on which the Services are performed or at such intervals as the School may specify from time to time) its personnel provide two (2) copies of a written statement of the work completed by the Supplier over the relevant period to an authorised member of the School’s staff and that the statements are signed by the authorised member of the School’s staff to acknowledge receipt. One copy shall be left with the School. The fact that the statement has been signed to acknowledge receipt shall not constitute acceptance of the Services or affect the rights of the School under the Contract (including in particular but not limited to the School’s rights under clauses 9 and 11).

7.11 While on the School’s premises, the Supplier shall comply with the requirements of the Health and Safety at Work etc Act 1974 and any other acts, orders, regulations and codes of practice relating to health and safety, which may apply to personnel working at the School in the performance of its obligations under the Contract, including any health and safety measures implemented by the School in respect of the Suppliers’ personnel and other persons working there. The Supplier shall ensure that its health and safety policy statement (as required by the Health and Safety at Work etc Act 1974) is made available to the School on request.

7.12 The School shall be entitled, on reasonable notice, to carry out (either itself or through its professional advisers) an audit of the books and records of the Supplier to the extent that they relate to the performance of the Services.

7.13 Where contracting in his/her individual capacity in order to provide Services, the Supplier shall meet the basic definition of self-employment in that:-

(a) if the Supplier is unable or unwilling to perform the Services personally the Supplier shall arrange at the Supplier's own expense for a substitute to perform the Services on the Supplier's behalf, subject to the School's prior written agreement to such arrangement and the Supplier warranting that the substitute is suitable to perform the Services;

(b) the Supplier will be in business on his/her own account and accept full responsibility for its success and failure;

(c) the Supplier will not work exclusively for the School;

(d) the Supplier will provide his/her own tools to carry out the Services or pay the School to use its tools;
(e) the Supplier’s provision of the Services is on an ad hoc basis, and not necessarily recurring by nature;

(f) the Supplier will have control over how and when he/she performs the Services, within overall deadlines and quality standards set by the Contract; and

(g) for the avoidance of any doubt, the Contract constitutes a contract for the provision of goods and/or services and not a contract of employment and accordingly the Supplier shall be fully responsible for and shall indemnify the School for and in respect of:

(i) any income tax, National Insurance and social security contributions and any other liability, deduction, contribution, assessment or claim arising from or made in connection with either the performance of the Services or any payment or benefit received by any individuals in respect of the provision of the Services, where such recovery is not prohibited by law. The Supplier shall further indemnify the School against all reasonable costs, expenses and any penalty, fine or interest incurred or payable by the School in connection with or in consequence of any such liability, deduction, contribution, assessment or claim; and

(ii) any liability arising from any employment-related claim or any claim based on worker status (including reasonable costs and expenses) brought by any individual engaged in the provision of the Services against the School arising out of or in connection with the provision of the Services (including any claims under TUPE).

8) Rights in Deliverables

The Supplier hereby:

(a) warrants that it is or shall be the sole and unencumbered owner of all IPR in any Deliverables and that nothing in the performance of the Services or the provision of the Deliverables (or any exploitation thereof by the School) will infringe any right whatsoever of any third party, including the IPR of any third party;

(b) irrevocably assigns to the School with full title guarantee the IPR, whether vested, contingent or future, in any Deliverables for the full period thereof, including any extensions or renewals, and including all rights of action accrued at the date of this assignment or which may accrue hereafter;

(c) undertakes to do all acts and execute all documents which may be necessary to confirm the title of the School to the IPR so assigned;

(d) warrants that it has not, and shall not, grant or assign any rights of any nature in any Deliverables to any third party whatsoever in any part of the world;

(e) warrants that the IPR in any Deliverables is assigned to the School free of all moral rights; and

(f) warrants that it has all the applicable permissions and licenses and has fulfilled any other relevant requirements required to copy and provide to the School any third party documentation or information in whatever format provided as part of the Services, and that any such documentation shall be appropriately labelled as such where not immediately identifiable.

9 Remedies for Goods and/or Services not supplied in accordance with the Contract

9.1 Without prejudice to any other right or remedy that the School may have (including, but not limited to, rights under the Contract, the Sale of Goods Act 1979 and/or the Sale of Goods and Services Act 1982), if any Goods or Services (including Deliverables) are not supplied in accordance with the Contract, then the School shall be entitled (at its sole discretion and without liability to the Supplier) to avail itself of any one or more of the following remedies at its discretion, whether or not any part of the Goods and/or Services have been accepted by the School:
(a) to rescind the Contract (namely, treat the Contract as if it is not and has never been in force);

11.2 The School shall have the right at any time and for any reason (without any liability to the Supplier) to terminate the Contract in whole or in part by giving the Supplier written notice whereupon all work under the Contract or the performance of obligations pursuant to it shall be discontinued and the School shall pay to the Supplier fair and reasonable compensation for evidenced work-in-progress (if any) at the time of termination but such compensation shall not include loss of anticipated profits or any consequential loss.

(a) to only carry out processing of any such personal data on the School's written instructions from time to time, unless such processing is required by any law (other than contract law) to which the Supplier is subject, in which case the Supplier shall (to the extent permitted by law) inform the School of that legal requirement before carrying out the processing;

(g) only transfer such personal data to countries outside of the Economic European Area that ensure an adequate level of protection for the personal data and the rights of the data subject and in any event only with the express prior written authorisation of the School which may be granted subject to such conditions as the School deems necessary in its sole discretion; and

5 The Supplier shall keep and provide to the School on request a record of the Supplier's use of the
personal data and processing activities and shall make available to the School all information

Contract, and that it is competent to process personal data in accordance with the Data Protection
Legislation.

6 The Supplier shall take reasonable steps to ensure the reliability of all its employees or other
representatives who have access to the personal data and shall ensure that all such persons:

(ii) comply with the obligations set out in this Schedule 1;
(iii) have committed themselves to confidentiality obligations or are under an appropriate
statutory obligation of confidentiality; and
(iv) have undertaken training in the requirements of the Data Protection Legislation.

7 The Supplier shall not publish, disclose or divulge any of the personal data to any third party
(including for the avoidance of doubt a data subject) unless directed to do so in writing by the
School);

8 If the Supplier becomes aware of a breach of the personal data it shall notify the School without
undue delay on becoming aware of such a breach.
