Late application to the Masters in Finance (full-time) commencing in August 2020

We may make a small number of late offers for this year’s intake to strong candidates who submit or complete their application after our preferred final deadline.

If we call you for interview and if the Admissions Committee (AdCom) decides to make you an offer, it may be a confirmed place for the 2020 intake or a confirmed place for August 2021 entry and on a waitlist basis for 2020 entry. Places for 2020 will be offered to people on the waitlist if an admitted student asks to defer to next year and the request to defer is granted by AdCom.

If you wish to apply, you should satisfy all the following criteria:

- You must have at least two years’ relevant finance work experience
- If we do not grant a GMAT/GRE waiver you should be prepared to sit a test in the very near future. The online versions of the tests are acceptable. Waivers will only be granted in a small number of cases (see the GMAT section in our Programme FAQs https://www.london.edu/masters-degrees/masters-in-finance-full-time/faqs for more information). Do contact us to check the possibility of a GMAT/GRE waiver before you proceed
- You must be able to leave your current employment and be on campus for the start of the programme, which is planned for August
- If we make you an offer and you require a student visa to study in the UK, you must be prepared to make initial fee payments (totalling GBP 8,000) soon after the offer, as this is one of the conditions of the visa application process. For visa requirements see https://www.london.edu/masters-degrees/visa-requirements

It is imperative that you act quickly if you wish to submit a late application.

As a first step, and to register your interest, please submit your CV for review (if you have not already done so) via: https://www.london.edu/submit-cv?itemId=557e20b2-4bd4-4140-9270-3831b8753123&servicepagereferer=557e20b2-4bd4-4140-9270-3831b8753123

If we decide to proceed, we undertake to fast-track consideration of your application, and we will expect an equally quick response from you.

If it is not possible to consider you for late admission to this intake, but your application is otherwise strong, it will be held for consideration for entry in August 2021.

If you have any questions or would like to talk through the logistics of a late application please email Lucky Singh or Charlotte Tait in the Masters in Finance Recruitment and Admissions team:
